Qing Ming Festival Appointment Booking Notice

During Qing Ming Festival this year, we will take measures to ensure safety and order due to the pandemic.

Nirvana Asia Group strictly abides by standard operating procedures to avoid the risk of infection due to crowds.

Therefore, we encourage family members to switch to representative worship services.

Nirvana's service staff will perform ancestral worship rites on your behalf through the Memorial Dedication service.

Taking into consideration the safety and health of the customers and community, we will adopt an "online and offline" combination model this year.

We encourage family members who really need to visit the site to make an appointment online in advance and we will setting a time limit for each tomb sweeping and worshipping session.

The customer will receive an email notification to confirm the appointment.
