#### 你说了吗?

疫情期间,惊觉死亡来得如此靠近,不时听到身边某人确诊、进院、 离开人间。死亡来临的那瞬间,才突然发现自己有很多话还没对家人 说,有太多事没交代好,但…一切都太迟了。

问问自己,该说的,你说了吗?

生命规划如此重要,确保让我们离开的时候,不会留下满满的疑惑和迷惘给我们的家人。

Our death planning app is just a stepping stone towards a larger goal, our aim for Bereev is to be the tech platform that helps people through various challenging times in their lives.

There is a publicly listed company in the US called XO Group (NYSE: XOXO) that owns a suite of apps which helps their users during the happier times in life (i.e.: wedding, pregnancy, purchasing a home and more).

Our goal is to be the XO Group of the darker times when help is lacking and in much need (think death, divorce and more). Because if you think about it, how many apps can you name that help you through those difficult times?
